Spirit Boosters

Membership Form

The WHS Spirit Booster Club is a volunteer based organization that provides fundraising opportunities to the Wetumpka High School cheerleading and dance team members and their families. The benefits of membership include the right to participate in meetings, to vote, and to hold office in the booster club organization. The booster club will offer regular organized fundraisers so there will always be an opportunity to offset your cheerleading and dance costs. Membership in the WHS Spirit Boosters is voluntary but highly encouraged. We welcome everyone's ideas, comments and suggestions.
